#myf2017

Protecting Sight. Empowering Lives.™

The Academy has made great strides in Washington. Help keep that momentum going.

Mid-Year Forum is one of the Academy's most significant yearly meetings, bringing the ophthalmology community together to drive change and shape our profession's future.

You can be part of that future. Attending Mid-Year Forum is a step in the right direction.

You'll meet with federal lawmakers during Congressional Advocacy Day, develop key strategies for successfully implementing new programs into your patient-care approach, and play a key role in driving the highest quality of care for your patients.

Join us

Registration Opens in January 2017. Congressional Advocacy Day is free to members.

“Join your fellow ophthalmologists in Washington, DC, as an advocate for our patients and profession. Attend Mid-Year Forum for briefings on the latest health care policies, and let your voice be heard on Congressional Advocacy Day as we tell legislators about our concerns.”

WILLIAM L. RICH III, MD, FACS
